The 17th International Conference on Computer Science and Information Technology (ICCSIT 2024) will be held in **Dubai, UAE** during **October 23-25, 2024**. ICCSIT 2024 is a forum for presenting excellent results and new challenges facing the field of computer science and information technology. It brings together experts from industry, governments and academia, experienced in engineering, design and research.

The conference has been held since 2008. Over the past fourteen years, ICCSIT has developed into a well established conference covering topics from artificial intelligence to bioinformatics, theory and techniques for the design, application. The ICCSIT 2024 offers a rich program, including keynote speeches, regular presentations, four workshops, academic visiting or tour. We need your contribution and participation to make it a successful event.
